

IMPORTANT

PLEASE NOTE

Medical Staff membership at Sarasota Memorial Hospital is contingent on completion of an SMH medical staff application, NOT, completion of the PHO application. The PHO does work in conjunction with the medical staff so that both applications are near completion at the same time. You cannot participate in the PHO until you have been granted hospital medical staff membership.

TWO applications must be completed, one for the PHO and one for the hospital. Please contact Ann Baker, Credentials Analyst in the Medical Staff Office at 917-1502 to request an application for hospital privileges, or e-mail her at ann-baker@smh.com.
